2 RICHARD BENNETT,

3 was called as a witness and, having been first duly
4 sworn by the Reporter-Notary Public, was examined and
5 testified as follows:

6 BY MR. BECHTEL:

7 Q. For the record, would you state your name
8 and residence address, please.

9 A. My name is Richard Bennett. I live at 1926
10 Meadow Lane, Wyomissing, Pennsylvania.

11 Q. My name is Gene Bechtel. I'm counsel for
12 Adams Communications Corporation. You've met Mr. Hutton
13 who is counsel for Reading Broadcasting Company.

14 If my questions are unclear, please let me
15 know. If Mr. Hutton seeks to interject after I have
16 asked a question, wait until he and I talk. And if you
17 need a break, let us know.

18 A. Yes.

19 Q. Mr. Bennett is appearing, for the record,
20 here pursuant to an agreement of counsel without a
21 Subpoena or formal notice.

22 And, sir, I assume you are appearing here
23 at the request of Channel 51?

24 A. Yes.

25 Q. And we have the pleasure of a colleague of

1 yours, David Horton, who's in our presence, too.

2 A. (Witness nods head horizontally.)

3 MR. HORTON: Horton, H-O-R-T-O-N.

4 (Whereupon, the Reporter marked Bennett 1
5 for identification, Career Awareness Schedule.)

6 BY MR. BECHTEL:

7 Q. How long have you lived in the Reading
8 area?

9 A. Since August of 1988. I had lived here
10 prior, back in the '60s.

11 Q. I note from your card that you are the
12 Scout Executive of the Hawk Mountain Council of the Boy
13 Scouts of America. Is that correct?

14 A. That's correct.

15 Q. And what is the Scout Executive?

16 A. Scout Executive is the Executive Director
17 of the organization. And Hawk Mountain Council is
18 Berks, Schuylkill County and a portion of Carbon County,
19 is the territory we cover.

20 Q. And the name Hawk Mountain is derived from?

21 A. The name Hawk Mountain -- we're named in
22 honor of the bird sanctuary because that's the one --
23 the bird sanctuary is between the two counties, and when
24 we redid the Council in 1970, and we named it for the
25 bird sanctuary.

1 Q. I've had the pleasure of watching birds
2 there at that location.

3 A. Great.

4 Q. The time frame we are looking at is 1989 to
5 1994; to be precise, August 1 of 1989 to August 1 of
6 1994. That's kind of hard to put it that way, that
7 type. It may also be helpful to know that during that
8 entire time frame Channel 51 was doing Home Shopping
9 Network programming.

10 During that time frame did you have a TV
11 set at home?

12 A. Yes.

13 Q. Did you have one in your office?

14 A. No.

15 Q. Approximately how much time did you devote
16 to watching television? And the kinds of programs that
17 interested you, describe those for us briefly.

18 A. In that time frame?

19 Q. Yes.

20 A. I watched the news channels, some sports,
21 various channels. That's really -- I don't watch many
22 of the sitcoms or things like that, but mostly just
23 those things.

24 Q. And by the news channels, what are you
25 referring to?

1 A. Well, at that time it's certainly the
2 Philadelphia stations. I also watched BCTV, the local.
3 I have a program on there, but I watch it a lot. That's
4 basically it.

5 Q. During that time frame did you watch
6 Channel 51?

7 A. Yes, at times.

8 Q. And what did you watch Channel 51 for?

9 A. I'm not sure I did. I've watched 51. I've
10 been on later but it's a later time frame 'cause I was
11 on there a couple of times.

12 Q. I would understand that.

13 A. Yes. But prior to that, no, I couldn't
14 really tell you if I really watched it or not at that
15 time frame.

16 Q. We appreciate you all coming because your
17 purpose here is to share with us your knowledge of
18 programming with which you are familiar aired on Channel
19 51 that was of a service to the community and,
20 obviously, with special reference to the Boy Scouts
21 programs.

22 A. Right.

23 Q. Having said that, it might be useful to
24 identify Exhibit 1 to your deposition which I believe we
25 all have copies of. Would you tell us what that

5 1 document is?

2 A. What it is -- and we were able to pull this
3 from the files -- we have a program in the schools, in
4 the Reading schools and Muhlenberg and many of the
5 school districts where we take speakers in. It used to
6 be called Career Awareness , and now it's called
7 Learning for Life. And we ask people from various
8 groups and various things to talk, whether it be about
9 TV or radio, whatever it is, to the youth -- the
10 students.

6 11 And what I brought this for was that at
12 that time one of the people from Channel 51 did speak at
13 our schools and continues to speak every year to some
14 classes about broadcasting and so on.

15 Q. And does the entry regarding Marsha Linn,
16 RACC, have anything to do with your reason for selecting
17 this document to bring along or just the reference to
18 Mr. Bendetti?

19 A. Just the reference to Mr. Bendetti. What
20 we did was, this was listed -- all the various people
21 who spoke on that day, we pulled it from the file.

22 MR. BECHTEL: Well, I think I'll let Mr.
23 Hutton take it from here.

24 BY MR. HUTTON:

25 Q. Exhibit 1 appears to show two visits by Mr.

1 Bendetti in 1993, one of them to the Oley Valley High
2 School on October 26th, 1993 and one of them to
3 Muhlenberg High School on December 13th, 1993.

4 To your knowledge, were those the only
5 school visits that a representative of WTVE participated
6 in during the 1989 to 1994 time frame?

7 A. To my knowledge, that's what we have on
8 record; however, they probably spoke each year because
9 they're still speaking now. And we keep speakers -- if
10 they keep coming back we keep going after them.

11 Unfortunately, prior to 1993 we called it
12 Career Awareness. There are no records on that, and I
13 don't have every record through the years. We've had
14 various people. I see that they go all the way back,
15 and they're still speaking today.

16 Q. When did the Career Awareness program
17 begin?

18 A. The Career Awareness program began in the
19 late '80s. I came here in '88. The same program -- it
20 was very similar -- we called it Learning for Life in
21 the '90s. We go to various schools once a month with
22 speakers.

23 Q. And approximately how many visits a year
24 does that encompass altogether?

25 A. A speaker could speak once that year. A

1 speaker could speak once each month for four or five
2 months, at the most. Sometimes they do.

3 Q. And does the Boy Scouts organization that
4 you head up locally conduct any fund raising activity?

5 A. Yes.

6 Q. And what does that consist of?

7 A. Three major dinners, solicitation of
8 parents, project sales for camperships and so on,
9 community campaign. We raise -- and some golf
10 tournaments. We raise approximately \$500,000 a year in
11 fund raising in the Hawk Mountain Council just from
12 those activities.

13 Q. And focusing again on the 1989 to 1994 time
14 period, did WTVE play any role with respect to those
15 fund raising activities?

16 A. The role that they did is they -- we have a
17 press conference for our speakers, and I know that they
18 have been consistent at coming to that press conference
19 once a year. And as long as we have been doing those --
20 which I think the press conferences we started doing
21 them about 1992. And they were -- they're always there,
22 you know, 'cause I've been at that press conference, and
23 they come and they help -- they interview the speaker.

24 Q. When you say they interview the speaker,
25 you mean an on-camera interview?

1 A. On-camera interview. I don't know if it's
2 ever been played, but they've been there to talk to them
3 on an on-camera interview. And once or twice -- I can't
4 give you the time frame; it's probably later than the
5 time frame here -- they actually did -- they actually
6 taped things at the dinner, too, came in and done that.

7 MR. HUTTON: I would like to have
8 introduced this document as Bennett Exhibit 2.

9 (Whereupon, the Reporter marked Bennett 2
10 for identification, Issues and Programs Report.)

11 BY MR. HUTTON:

12 Q. Mr. Bennett, this is a document you've not
13 seen before. It consists of excerpts from the Quarterly
14 Issues and Programs Reports for WTVE from the fourth
15 quarter of 1993 -- I'm sorry; the pages are mixed up, I
16 think -- from the third quarter of 1993, at the end,
17 through the second quarter of 1994. Turning to the --

18 MR. BECHTEL: One second. Let me see if I
19 can find the fourth quarter.

20 (Attorney Bechtel reviewed document.)

21 MR. BECHTEL: I have the third quarter of
22 '93. Is that what you said?

23 MR. HUTTON: The third quarter of '93
24 appears at the end, but there's also a second quarter of
25 '94 before that. The pages are mixed up.

1 MR. BECHTEL: Off the record.

2 (Discussion was held off the record.)

3 BY MR. HUTTON:

4 Q. Let's just go page by page here. Turning
5 to the second page in that document, there's a narrative
6 under the heading, Boy Scouts of America Environment. I
7 would like you to review that narrative and tell me if
8 you recall this public service announcement.

9 A. (Witness complies). I recall it. We have
10 different ones every year. That was ones of kids
11 cleaning up and doing things, kind of a conservation
12 type of thing. I remember it because we used it a lot,
13 but I certainly remember that.

14 Q. And do you recall this PSA being aired on
15 WTVE?

16 A. I know that we gave them out to stations.
17 I did not see it on there, but I know that they were
18 given out. Each year we get them and we distribute
19 them. They're made by the National Boy Scout Council.

20 Q. And, to your recollection, is this
21 narrative consistent with your recollection of that PSA?

22 A. Yes.

23 Q. Turning now to the first quarter of 1994,
24 on the page that's marked 14 at the bottom there's a
25 narrative at the top under the heading of Cops. I would

1 like you to review that narrative and tell me if you
2 recall this PSA.

3 A. (Witness reviewed document.)

4 I'm not familiar with the title Cops, but I
5 do remember the best gang to be in being in, scouting --
6 I don't remember the name Cops being attached to that
7 PSA, but I do remember the PSA dealing with being in a
8 gang; scouting is the gang to be in. I just didn't know
9 that that's what it was titled.

10 Q. To your recollection, is this summary a
11 fair representation of what that PSA covered?

12 A. We had one that dealt about the gang and
13 being in the gang that had sirens and so on.

14 MR. HUTTON: I have nothing further.

15 BY MR. BECHTEL:

16 Q. The PSA you just testified to, was that one
17 that you handed out to the stations as well?

18 A. Yes.

19 MR. BECHTEL: I have no further questions.
20 We appreciate you all coming.

21 (Whereupon, the deposition concluded at
22 10:55 o'clock a.m.)

"Twinkle"

This animated half-hour features a magical character who has the power to make dreams a reality. He's an intergalactic genie with an ultra-cool attitude. His mission is to make children's wishes come true, and he's also here to have a little fun. He's Twinkle, the Dream Being, a cosmically cool, extra-terrestrial. His interstellar adventures teach children important pro-social skills, integrity and responsibility and how to save the environment.

Rising Sun Athletic Association - "Sunners"

WTVE-TV 51 produced this thirty-second Public Service Announcement for the Rising Sun Athletic Association to promote public awareness and generate donations for the campaign. The "Sunners" organization takes children from city league football squads for national competition in Florida. The organization also has cheerleading competition. WTVE met with representatives from the local Sunners chapter in creating the PSA.

Boy Scouts of America - "Environment"

The Boy Scouts of America sponsors this thirty-second Public Service Announcement entitled "Environment". The PSA shows boys as young as first grade cleaning up the community. Appreciation and respect from other members of the community are bestowed on the boys for their efforts. Boys are urged to join the Boy Scouts to continue the fine work in their own communities.

Kid's Korner - #19 "Popeye Turns Sixty"

WTVE-TV 51 produced this 2 1/2-minute Public Service segment geared toward children. The piece showcases the popular cartoon-figure "Popeye", which celebrates its Sixtieth Anniversary as being a part of American Culture. The segment also shows modern-day testimony to the icon with a costumed arm-wrestling competition in New York City.

Kid's Korner - #20 "Milton Hershey Chocolate"

This three-minute Public Service segment, aimed at children, was produced by WTVE-TV 51 and informs the audience about the life of Milton Hershey, founder of the chocolate factory in nearby Hershey, Pennsylvania. The segment reviews his inventions in creating the world-renowned business. More importantly, the piece talks about the orphanage he founded to give underprivileged children a new start in life.

READING, PENNSYLVANIA 19604

COMPILED BY:
GEORGE MATTMILLER

wonderful world of children's literature comes to life through the weekly readings featured on the program, including classic tales, enchanting picture books and new stories from around the world. "The Children's Room", hosted by George Capaccio and Nona Scoville, instills a love of books and reading in children ages four through eight. The show's colorful sets and friendly hosts create the perfect environment for listening and learning. The focus throughout is on quality - dynamic stories, lively illustrations, and vivid animation. The wholesome, enlightening materials presented on "The Children's Room" also provide parents with the perfect opportunity for reviewing the latest children's books, and reacquainting themselves with the classic works from this very special literary form.

"Twinkle"

This animated half-hour features a magical character who has the power to make dreams a reality. He's an intergalactic genie with an ultra-cool attitude. His mission is to make children's wishes come true, and he's also here to have a little fun. He's Twinkle, the Dream Being, a cosmically cool, extra-terrestrial. His interstellar adventures teach children important pro-social skills, integrity and responsibility and how to save the environment.

Boy Scouts of America - "Environment"

The Boy Scouts of America sponsors this thirty-second Public Service Announcement entitled "Environment". The PSA shows boys as young as first grade cleaning up the community. Appreciation and respect from other members of the community are bestowed on the boys for their efforts. Boys are urged to join the Boy Scouts to continue the fine work in their own communities.

Kids Korner - #1 "Food Care"

This segment shows children in the community how to feed their pets or animals properly to maintain them and enjoy them--learning responsibility.

Kids Korner - #2 "Pet Tags"

This segment features the importance of tags to identify our animals should they get lost. Teaching the children to put the proper information on the tags. Dog/cat name, address and phone numbers, etc. So animals can be returned to them and not the pound.

"Cops"

This PSA entitled "Cops" is reminding America that the Boy Scouts are important by offering youth today personal growth, traditional values and strong adult supervision. This PSA is showing kids that Boy Scouts is the best gang to be in.

Take 3 - #6 "Instrumental Music"

A brief overview of musical instruments and their placement in today's high school setting. Descriptions of the instrument families were covered as well as performance opportunities open to the high school musician. Also covered was the commitment, dedication and time put into learning how to play an instrument.

Take 3 - #8 "Selecting A College"

This segment highlighted the important aspects of selecting a college with hosts Glenn Grim and Eric Troop.

Take 3 - #14 "Space Camp"

This segment is an overview of the Space Camp program for students gifted in science with hosts Jeremy Posey and Eric Troop.

Take 3 - #15 "Planetarium"

This segment covers the inner workings of the Reading Planetarium and its shows with Jeremy Posey as it's hosts, Henry Hunsicker and Mark Mazurkowitz, operators of the Planetarium.

"Outstanding Youth"

Sponsored by Discover Card and the American Association of School Administrators, this PSA features Kimberly Williams, rodeo queen and a national winner of the Discover Card Tribute Award. Students compete in their junior year to win scholarships. Criteria are special talents, leadership, community service, unique endeavors, and obstacles overcome. Kimberly is hearing-impaired and has been involved in many school activities and corresponds with hearing-impaired children.
